- 1.4 The General Data Protection Regulation (GDPR) became law on 24th May 2016. This is a single EU-wide regulation on the protection of confidential and sensitive information. It enters into force in the UK on the 25th May 2018, repealing the Data Protection Act (1998).
- 1.5 For the purpose of applicable data protection legislation (including but not limited to the General Data Protection Regulation (Regulation (EU) 2016/679) (the "GDPR"), and the Data Protection Act 2018 (currently in Bill format before Parliament) the practice responsible for your personal data is The Village Medical Centre.

A risk score is then arrived at through an analysis of your de-identified information is only provided back to your GP as data controller in an identifiable form.
